

OMC's 35th Anniversary "Nationals Event"

Summer 2015
(Date T.B.A.)

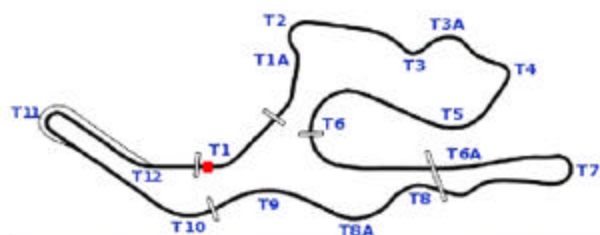

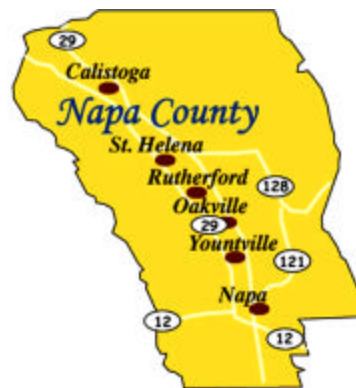

NAPA

Once again the Opel Motorsport Club will be host to 3 days of Opel fun in the California sunshine.

Our preliminary schedule includes planned venues such as a visit and parade lap at the world-famous Sears Point racetrack, a wine country fun run and tour, along with familiar OMC events such as a car show, a dinner banquet, and door prizes.

Northern California includes many famous and family-friendly vacation destinations, such as those found in or near San Francisco and the Monterey Bay areas.

It also features many venues that serve an adult clientele, including the world-famous diners and wineries found throughout the Napa Valley.

Our Schedule will be announced later this year

OMC is contacting facilities and working on a set of weekend dates, planned for August 2015.

We are compiling an itinerary of events, that will allow participants to also enjoy some of the automotive highlights scheduled nearby in the Monterey/Pebble Beach area in the week following our event.
