

The 50th Anniversary of the Opel GT is a Once-In-A-Lifetime Event!

Owners of classic Opels of all models are invited as are classic Opel lovers without an Opel.

Attention Opel owners from coast to coast and around the world!

In the spirit of the *Classic American Road Trip* from the 60's and 70's when our Opel's were new and families took week-long road trips throughout America, we urge you to consider being a part of this special event!
